

**Lists of the identification tests
to the course of
MEDICINAL PLANTS AND SPICES (3ME13NAK01B)**

Drug identification test (written exam):

Althaeae radix
Caryophylli flos
Cinnamomi cortex
Crataegi folium cum flore
Equiseti herba
Hippocastani semen
Hyperici herba
Juniperi pseudo-fructus
Millefolii herba
Myrtilli folium
Myristicae semen
Piperis nigri fructus
Plantaginis lanceolatae folium
Rosae pseudo-fructus
Sambuci flos
Solidaginis herba
Tiliae flos
Urticae folium
Vanillae fructus
Visci stipes
Zingiberis rhizoma

Plant identification from a photo (written exam):

Achillea collina
Aesculus hippocastanum
Althaea officinalis
Cinnamomum zeylanicum
Crataegus monogyna
Equisetum arvense
Hypericum perforatum
Juniperus communis
Myristica fragrans
Piper nigrum
Plantago lanceolata
Rosa canina
Sambucus nigra
Solidago gigantea
Syzigium aromaticum
Tilia cordata
Urtica dioica
Vanilla planifolia
Vaccinium myrtillus
Viscum album
Zingiber officinale

Plant identification test (during field practices):

Achillea collina
Aesculus hippocastanum
Althaea officinalis
Anethum graveolens
Artemisia dracunculus
Borago officinalis
Brassica x juncea
Calendula officinalis
Carthamus tinctorius
Carum carvi
Coriandrum sativum
Crataegus monogyna
Cucurbita pepo var. styriaca
Digitalis lanata
Digitalis purpurea
Echinacea purpurea
Equisetum arvense
Foeniculum vulgare
Ginkgo biloba
Hypericum perforatum
Juniperus communis
Lavandula angustifolia
Lavandula x intermedia
Majorana hortensis
Matricaria recutita
Melissa officinalis
Mentha x piperita
Ocimum basilicum
Origanum vulgare
Papaver somniferum
Pimpinella anisum
Plantago lanceolata
Rosa canina
Salvia officinalis
Sambucus nigra
Silybum marianum
Sinapis alba
Solidago gigantea
Thymus vulgaris
Tilia cordata
Urtica dioica
Valeriana officinalis
Viscum album
